Subject: Let's get together!

Hi all,

Hope you're all enjoying the summer so far. I've been really busy with work but finally had a chance to stop. I've spent the last two days sunning myself on the balcony - fantastic!

I've just realised that it's been absolutely ages since we last saw each other. James' party, wasn't it? So, I thought it might be a nice idea if we got together one of these weekends. What about next Saturday as they say the weather's going to be amazing? Anna, I know you normally work Saturday mornings - perhaps you could join us once you're done?

Anyway, how about a picnic? I was thinking we could all meet up in Hyde Park maybe? I haven't been there for a while. How about meeting by the Queen's Gate entrance and we can find a nice spot from there?

Nick, it would be great if you could whip up some of your legendary hummus. I could bring salads and I guess we could pick up some bread from the store near the tube. I was wondering, Anna, would you be able to grab some of those scrumptious cupcakes from that bakery near your work? YUM!

Let me know what you want to do about drink... wine / beer, etc ... and I'll send Dave (yes, I'm still going out with him!) out to get it.

Also, does anyone have anything to sit on, like a picnic blanket? If so, can you bring it along?

Could you let me know ASAP if this works for you? Can't wait!

Loads of love,

Helen

P.S. Don't forget your suncream!
